THE BOARD'S PROPOSAL FOR RESOLUTION ON AUTHORISATION FOR THE BOARD TO RESOLVE ON ACQUISITION OF OWN SHARES

The Board proposes that the general meeting authorises the Board to resolve acquisition of own shares on one or several occasions during the period up to the annual general meeting 2022 in accordance with the following.

1. Acquisition of own shares may be made by an offer extended to all shareholders or on Nasdaq Stockholm.
2. Own shares may be acquired to the extent the company's holdings of own shares in total amounts to no more than ten (10) percent of all shares in the company.
3. Acquisition of own shares on Nasdaq Stockholm shall be made in cash and at a price within the stock market price interval registered at any given time, such interval being the interval between the highest purchase price and the lowest sales price.

The reasons for the proposed authorisation to repurchase own shares are to adjust the company's capital structure, create value for shareholders, provide the opportunity to offer own shares as payment in relation to acquisitions, be able to meet commitments under call option programs and to cover the costs of issued incentive programs.

The Board has issued its reasoned statement in accordance with Chapter 19 Section 22 of the Swedish Companies Act.

A resolution passed by the general meeting in accordance with this proposal is valid only when supported by shareholders holding at least two thirds of the votes cast as well as of the shares represented at the annual general meeting.
