

## Reminder: Invitation to Alimak Group Investor Update 20 November 2024

**Alimak Group invites investors, analysts and media to an Investor Update on 20 November 2024.**

The investor update will be a hybrid event, hosted physically in Stockholm, Sweden, and a live webcast. The event will take place at Inderes Event Studio, Västra Trädgårdsgatan 17, in Stockholm.

President and CEO Ole Kristian Jødahl, along with other members of the Group Leadership Team, will provide an update on the Group's progress and ongoing activities aimed at achieving the financial targets announced in June 2023.

The presentation will start at 14:00 CET and is estimated to end at 17:00 CET.

Please register your participation no later than 1 November. A detailed agenda will be sent out to registered participants. The number of participants on-site is limited, with priority given to investors, analysts and financial media.
